

Priestley Primary School

Curriculum Overview

2015-2016 / 2016-2017

Cornerstones Curriculum

The fundamental aim of any curriculum is to help children learn. What sets the Cornerstones Curriculum apart at Priestley is that it's based on our four-stage philosophy:
Engage, Develop, Innovate, Express.

At Priestley we aim to bring lessons to life and believe that successful curriculums are built on inspirational learning activities and high-quality teaching. It's about creating a classroom environment that allows children to learn in a way that motivates and interest them. This is why our curriculum is designed to give teachers the chance to plan and structure lessons around their children.

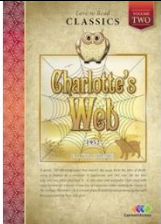

2015-2016 Foundation Stage
