Welcome to the Priestley Experience

I would like to take this opportunity to introduce myself and welcome you to Priestley Primary School. I am Andrew Marsh-Ballard and have been Headteacher here at Priestley since September 2005. Whether you are just embarking on a teacher career or bring with you many years of experience you will be joining the school team at an exciting time in its history.

Our aim at Priestley is to help create communicative, competent, confident young people who are more than ready for the next challenge in their educational journey. Although we strive to raise academic standards, we also feel that it is vitally important not to lose sight of the child as an individual which was recognised by OFSTED 2018.

'The school is highly inclusive, and its successes demonstrate your belief in equality of opportunity. You have continued to build on your vision of 'creating opportunity, releasing potential and achieving excellence'

At Priestley we value the contribution the children make to their own learning and to the learning of their peers around them. It is important that children enjoy their time at Priestley and develops a healthy attitude to learning creating a bank of memories that will stay with them for years to come.

The all-round development of a child is our paramount importance. We seek to build strong relationships with all our parents and carers and look forward to a working partnership to ensure this happens.

I look forward to answering any questions you have and receiving your application.

About Our School

Calne is a small town that nestles in the western reaches of the Designated Area of Natural Beauty known as the North Wessex Downs. It sits on the River Marden and the A4 between Chippenham and Marlborough. Its origins date back to Anglo Saxon times and more recently it was known for the imposing Harris' pork processing factory that finally closed its doors during the early 1980's.

The school derives its name from the philosopher and chemist Joseph Priestley who it is believed, whilst staying at the nearby Bowood House in 1774, discovered the existence of oxygen. The story continues that whilst observing the ducks swimming on the Doctors Pond in the town he observed the bubbles appearing on the surface of the water thus observing the existence of oxygen.

Priestley Primary School is a community school. It is ideally situated amongst several housing estates within half a mile of Calne's town centre in Prince Charles Drive. Traditionally a one form entry school Priestley is now enjoying a period of expansion that will in time take the school to two forms of entry. A particular strength of the school is its spacious grounds that allow for three playgrounds and extensive grassy areas. We have worked hard to landscape the school grounds to best support all aspects of the children's learning with a wildlife area, dedicated outside teaching spaces, a range of fixed large play equipment and extensive areas to run and play.
