## Parent and Carer Questionnaire

### What do we know about Online-Safety?

During our next Parents' Forum Thursday, 13 February 2020 at 2pm. We will be focusing on Online-Safety in school and at home.

We hope to discuss and share parental and children's understanding of Online-Safety and how we can continue to support families with staying safe.

We would like to offer an opportunity for you to share your views of Online-Safety on the questionnaire below. The children will also be completing questionnaires in school and we will be sharing the outcomes of these questionnaires during the forum.

Please tick the boxes below and feel free to add any comments or notes of explanation that will help us to get a clear picture of your views. Comments are very welcome, but particularly useful if you feel there is 'room for improvement' – please make it really clear so that we can consider how to respond effectively.
